Following the consultation launched on 10th June 2021 by Rail for London (Infrastructure) Limited on some changes to the CCOS Template Track Access Contract and the CCOS Network Code the final versions of these documents have now been published at https://tfl.gov.uk/corporate/publications-and-reports/crossrail-central-operating-section..

The final CCOS Network Code does not incorporate the proposed drafting to reflect Network Rail's Proposals for Change (PfCs) 100 and 101 as following consultation these were not progressed by Network Rail.
