**Item:** Register of Gifts and Hospitality for Members and Senior Staff

---

**This paper will be considered in public**

**1 Summary**

1.1 This paper sets out details of the gifts and hospitality received and declared by the Board and senior staff. This report covers the period 1 January 2017 to 31 May 2017. Details for Members and the most senior staff are already routinely published on our website. As requested at the last meeting, this report now includes figures on the recorded number of offers of gifts and hospitality refused as well as accepted.

**2 Recommendation**

2.1 **The Committee is asked to note the paper.**

**3 Background**

3.1 TfL's policy on gifts and hospitality applies to TfL Board Members, all staff who work for TfL and staff contracted to work for TfL through a third party. It covers both gifts and hospitality offered directly or offered through a spouse or partner.

3.2 The policy starts from the premise that any gifts or hospitality offered should usually be declined. No offer should be accepted where there is a possibility, or a perception, of being influenced by it. The guidance provides advice on the few circumstances where acceptance might be appropriate but, as a guiding principle, Members and staff are advised to err on the side of caution and refuse any offer where there may be any doubt as to its integrity or lavishness.

3.3 The Board Members and staff are required to register with the General Counsel any gift or hospitality received in connection with their official duties that has a value of £25 or over, and also the source of the gift or hospitality. For staff, declarations are made at the end of every month. As the offering and acceptance of gifts or hospitality by Members is uncommon, they are asked to confirm any declarations at the end of every quarter. Offers accepted by Members and the most senior staff are then reviewed and published on [tfl.gov.uk](http://tfl.gov.uk) on a quarterly basis.

3.4 Gifts and hospitality declarations from Members, the Commissioner and Managing Directors, the General Counsel and the Chief Finance Officer have been published on [tfl.gov.uk](http://tfl.gov.uk) since 2012.

- 3.5 As part of the revised GLA Group Framework Agreement, considered by the Board on 22 September 2016, we committed to also provide a regular report to the Audit and Assurance Committee on the gifts and hospitality accepted. For these reports, the staff covered has been extended to all staff that appear on the top level organisation chart published on tfl.gov.uk.

## 4 Reporting period and issues for consideration

- 4.1 Appendix 1 sets out gifts and hospitality declared by Members and senior staff over the five month period from 1 January 2017 to 31 May 2017 (the latest reporting period).
- 4.2 A total of two declarations were made by Members, a gift was accepted for a Member speaking at an event and an offer to attend an industry reception was declined.
- 4.3 A total of 389 declarations were made by senior staff in relation to gifts and hospitality received at a value of £25 or over within the period covered by the report (five months). 257 offers were declined and 132 were accepted, which compares to 82 offers accepted in the previous three month (October to December) reporting period.
- 4.4 The table below provides a summary of the number of offers accepted and declined by senior staff who received more than ten offers during the period.
