Item: **Members' Suggestions for Future Discussion Items**

This paper will be considered in public

1 Summary

- 1.1 This paper presents the current forward programme for the Committee and explains how this is put together. Members are invited to suggest additional future discussion items for the forward plan. Members are also invited to suggest items for the Committee's induction session and for future informal briefings.

2 Recommendation

- 2.1 **The Committee is asked to note the forward programme and is invited to raise any suggestions for future discussion items for the forward plan and for informal briefings.**

3 Forward Plan Development

- 3.1 The Board and its Committees and Panels have forward plans. The content of the plans arise from a number of sources:
- (a) Standing items for each meeting: Minutes; Matters Arising and Actions List.
 - (b) Regular items (annual, half-year or quarterly) which are for review and approval or noting as specified in the Terms of Reference: Examples include the annual consideration of pay and performance awards for the staff listed in the terms of reference and regular reports on remuneration on a pan-TfL basis, pay gaps and TfL's approach to talent management and succession planning.
 - (c) Items requested by Members: The Chairs Coordination Group will regularly review the forward plans and may suggest items. Other items will arise out of actions from previous meetings (including meetings of the Board or other Committees and Panels) and any issues suggested under this agenda item.

4 Current Plan

- 4.1 The current plan is attached as Appendix 1. Like all plans, it is a snapshot in time and items may be added, removed or deferred to a later date.
