## **3 Forward Plan Development**

- 3.1 The Board and its Committees and Panels have forward plans. The content of the plans arise from a number of sources:
- (a) standing items for each meeting: minutes; matters arising and actions list; and any regular quarterly reports. For this Committee these include quarterly internal audit reports; Crossrail updates; strategic risk management updates and cyber security updates;
  - (b) regular items (annual, half-year or quarterly) which are for review and approval or noting: examples include the legal compliance report, fraud report, integrated assurance plan, and TfL annual report and accounts;
  - (c) matters reserved for annual approval or review: examples include those already mentioned above as well as annual audit fee, annual resilience and strategic risk management and assurance annual report 2017/18; and
  - (d) items requested by Members: the Deputy Chair of TfL and the Chair of this Committee will regularly review the forward plan and may suggest items. Other items will arise out of actions from previous meetings (including meetings of the Board or other Committees and Panels) and any issues suggested under this agenda item.
- 3.2 The Committee is required to meet in private, on an annual basis, with the Director of Internal Audit, External Auditors and Chief Finance Officer. These discussions are scheduled after the following Committee dates:
- 11 October 2017: Director of Internal Auditor  
6 March 2018: Chief Finance Officer
