GENERAL NOTES

1. Transport for London (TfL) is required to consult relevant London highway, police and certain other authorities on proposals by licensed PSV operators to operate London Service Permit services i.e. bus services that do not form part of the London bus network and are not secured by or operate under agreement with London Buses. The information shown in Sections 2 and 3 of this Bulletin should be regarded as the formal consultation by Transport for London to relevant authorities as required under s186(3)(c) of the Greater London Authority Act 1999 in relation to LSP proposals.

2. Unless stated elsewhere in this Bulletin, any observations or objections in response to LSP proposals contained in Sections 2 and 3 must be made in writing and submitted to TfL at the address shown on Page 1 by the stated closing dates for comments (generally 28 days from the issue of this bulletin).

3. In deciding whether to grant an LSP application, TfL is required to have regard to the Mayor of London's Guidance Document containing the criteria by which applications are to be considered. The Mayor's Guidance Document and an explanatory note on the LSP process may be accessed from the TfL website at <https://tfl.gov.uk/info-for/suppliers-and-contractors/london-service-permits?intcmp=3396>

4. Applications for a new LSP or to vary an existing LSP may be made electronically from the TfL London Service Permits website at <https://tfl.gov.uk/info-for/suppliers-and-contractors/london-service-permits?intcmp=3396>

5. In cases of LSP services which cross the Greater London boundary, the operator must ensure that the service has been registered with the appropriate Traffic Area.

6. The LSP Bulletin is normally published every fortnight and is issued to the following authorities:

all London Boroughs, the City of London and the City of Westminster;
County Councils adjacent to Greater London;
