

The London Workplace Cycle Challenge

1-30 June 2008

We're taking part. Why not join our team today?

The London Workplace Cycle Challenge is fun and free and aims to persuade even more people to hop on their bikes and cycle to and from work.

If you do, you'll soon discover that cycling in the Capital is not just one of the quickest and most cost-effective methods of transport, but a great way to keep fit too.

To take part simply sign-up for our team and log all the trips you make by bike on the Challenge website, which is online now and open until 30 June.

Just by signing-up you could win £150 worth of cycle vouchers!*

What's more, there are other weekly prizes too – and if we do well there's a chance that we'll be named one of the best performing teams.
