## GENERAL NOTES

1. Transport for London (TfL) is required to consult relevant London highway, police and certain other authorities on proposals by licensed PSV operators to operate London Service Permit services i.e. bus services that do not form part of the London bus network and are not secured or operate under agreement with London Buses. The information shown in Sections 2 and 3 of this Bulletin should be regarded as the formal consultation by Transport for London to relevant authorities as required under s186(3)(c) of the Greater London Authority Act 1999 in relation to LSP proposals.
2. Unless stated elsewhere in this Bulletin, any observations or objections in response to LSP proposals contained in Sections 2 and 3 must be made in writing and submitted to TfL at the address shown on Page 1 within 28 days from the date of issue of this Bulletin.
3. In deciding whether to grant an LSP application, TfL is required to have regard to the Mayor of London's Guidance Document containing the criteria by which applications are to be considered. The Mayor's Guidance Document and an explanatory note on the LSP process may be accessed from the TfL website – go to [www.tfl.gov.uk](http://www.tfl.gov.uk); from the “Home” page go to “**Business and partners**” and under “**Bus operators**” select “**London Service Permits**”.

**LSP Application and Variation forms are available from the Licensing Manager (address on page 1) and may also be accessed from the TfL website, on the page address above.**

4. In cases of LSP services which cross the Greater London boundary, the operator must ensure that the service has been registered with the appropriate Traffic Area.
5. The LSP Bulletin is normally published every fortnight and is issued to the following authorities:
  - all London Boroughs, the City of London and the City of Westminster;
  - County Councils adjacent to Greater London;
  - Unitary Authorities adjacent to Greater London;
  - the Metropolitan Police and the City of London Police;
  - the London TravelWatch;
  - VOSA, Leeds.
6. The symbol ▲ denotes a new or altered item since the last issue of this Bulletin. The symbol § denotes an item transferred from another Section since the last issue of this Bulletin.

## Section 1 – Special Notices

### **London Low Emission Zone (LEZ)**

From 3 January 2012, LEZ emission standards for buses and coaches were raised. Buses and coaches weighing more than 5 tonnes gross are now required to meet a Euro IV for particulate matter standard to drive within the LEZ without charge. These standards are applicable to buses and coaches operating London Service Permit services.

Full details of these proposals can be accessed at [www.tfl.gov.uk/lezlondon](http://www.tfl.gov.uk/lezlondon)

### **Cannon Street Station, EC3 Various commuter services**

Following the re-development of Cannon Street Station, utility works have commenced necessitating the closure of Cannon Street westbound until 20 April 2012. Commuter coach services are diverted accordingly.

If you would like to be kept informed of the work being undertaken, please sign up to the regular Cannon Street works e-bulletin, which will include any planned road closures and diversions, by emailing [cannonstreet@cityoflondon.gov.uk](mailto:cannonstreet@cityoflondon.gov.uk) or telephoning 020 7332 3139.

### **Pancras Road, NW1**

**The Big Bus Company Ltd: LSP0366 The Green Link**  
**The Original London Sightseeing Tour Ltd: LSP0345 Route T5**

Until 30 March 2012, the section of Pancras Road NW1 between Euston Road and Goods Way is temporarily closed for gas works. As a result, the Green Link and route T5 towards St Pancras Station are diverted from Euston Road eastbound via York Way and Goods Way to their existing line of route to Midland Road. These routes are serving a temporary stop located in one of the coach setting down points in York Way, in replacement for Stop T in Pancras Road.

### **Royal Hospital Road, SW3 National Express services**

Until 1000 hours on 24 January 2012, Royal Hospital Road at the junction with Chelsea Embankment is closed southbound for gas works. For the duration of the works, National Express services are diverted from Pimlico Road via Sloane Street or Chelsea Bridge.

### **Croydon Coaches UK Ltd t/a Coaches Excetera: NHE1.**

The application to operate the above service in Ealing between Cleveland Road, Ealing High School and Vallis Way, Trailfinders Sports Club under a London Service Permit from 13 February 2012 has been withdrawn.

## Section 2 – New Applications

1 March 2012
