Application to obtain red route exemption signage for London licensed private hire vehicles

This form must be completed by the operator licence holder, or, if the licence is held by a partnership or company, the operator’s nominated representative. Please note that those London private hire vehicles that are exempt from the display of the PHV licence disc are **not** eligible for a red route signage pack.

This form makes provision for you to apply for 36 signage packs. If you require more than 36 signage packs, you will need to complete and submit additional copies of this form. Alternatively you can complete, and submit via email, the excel version of this form which is available on the TfL website.

Once completed, you can send this form to the **Private Hire Red Route Team, 4th Floor, Green Zone Palestra, 197 Blackfriars Road, London SE1 8NJ** or fax it to **020 3054 3160**
