

Road Closures in Soho From 5th January 2010

The following roads will be closed to through traffic from 5th January:

Dean Street (north of Carlisle Street)
Fareham Street
Great Chapel Street

Hollen Street
Sheraton Street

- Vehicle access for servicing will be maintained with two-way operation in: **Hollen Street, Sheraton Street and Dean Street** (between Diadem Court and Carlisle Street)
- During the road closures, pedestrian routes and pedestrian access to buildings will be maintained on all streets except Fareham Street
- The road closures are expected to remain in place until the completion of the station works in 2017

Tottenham Court Road station

Enabling works have commenced for the construction of the western ticket hall for Crossrail's Tottenham Court Road station. The western ticket hall will be located in the area bounded by Dean Street, Diadem Court, Great Chapel Street and Oxford Street.

Much of the works will be under ground creating the station box and escalator shafts as well as passages to connect to the Crossrail platforms. Before these works can start extensive enabling works are required. This includes the relocation of many services that are in the highway, such as gas, electricity, water and communications and the demolition of buildings on the site of the new ticket hall. To carry out this work it is necessary to close a number of streets to traffic as described overleaf.

We apologise for any inconvenience these works will cause. We will endeavour to minimise any disruption.
