

Change of Address

If you are a current contributing member of the Fund, you should notify your employer who will in turn advise the Pension Fund Office of your change of address.

If you are receiving a pension from the Fund or have a deferred pension under the Fund, you can update your address using member self service. You need to have registered to use this service, which you can do via the link on the homepage of the Pension Fund website www.tflpensionfund.co.uk.
