WHEREAS:

(A) Each of BCV, SSL and JNP has entered into a PPP Contract with LUL, under which they have agreed to provide certain services to LUL in connection with the enhancement and maintenance of the Underground Network.

(B) In the PPP Contracts and the Share Purchase Agreements (the *SPAs*) reference is made to the Data Room. The Data Room is a repository of information held in both hard copy and on a server (the Data Room Server) which requires the PC containing a copy of the Data Room Server to access it. However, in some cases the information is obtainable in hard copy only.

(C) The parties wish to provide for the safe custody of two (2) identical master copies of the Data Room which relate to the whole of the Underground Network upon the terms set out in this Agreement (each being a *Data Room Master*). Each Data Room Master shall contain a copy of:

- a. a stand alone personal computer containing only a copy of the Data Room Server (PC);
- b. a back-up tape of the Data Room Server (the *Back-up Tape*);
- c. the documents held in physical form only as listed in Schedule 1 hereto (the *Hard Copies*); and
- d. the documents contained on five (5) CD Rom discs containing all of the information not originally copied onto the Data Room Server as listed in Schedule 5 hereto (*CD Rom Documents*)).

IT IS AGREED as follows:

INTERPRETATION

1.1 To the extent applicable, the provisions of this Agreement shall be interpreted in accordance with Clause 1.2 of the Master Definitions Agreement between LUL, BCV, SSL and JNP (the *MDA*).

1.2 Words and expressions used in this Agreement shall, to the extent applicable and unless defined herein or the context otherwise requires, have the meaning assigned to them in Schedule 2 of the MDA.

1.3 This Agreement between LUL, BCV, SSL, JNP and the Agent amends and restates the Custody Agreement dated 19 August 2002 between LUL, BCV, SSL, JNP and the Agent.

2. APPOINTMENT OF AGENT

LUL, BCV, SSL and JNP hereby appoint the Agent and the Agent hereby agrees to act with effect from the date hereof as custodian of the Data Room Masters in accordance with the provisions of this Agreement until such time as its appointment is terminated as hereinafter provided.

3. DELIVERY AND CUSTODY OF THE DATA ROOM MASTERS

3.1 On signing of this Agreement or as soon as reasonably practicable thereafter LUL shall through its representatives deliver or cause to be delivered to the Agent (at the address specified in Clause 11.2(e)) the Data Room Masters.

3.2 The Agent agrees to accept delivery of two (2) copies of the Data Room Masters which shall each contain:

- (a) the PC containing a copy of the Data Room Server;
- (b) the Back-up Tape;
- (c) the Hard Copies; and
- (d) the CD Rom Documents,

and thereafter to hold the same in safe custody at two (2) separate locations for the duration of this Agreement. The Agent shall promptly notify each of LUL, BCV, SSL and JNP of the addresses at which the Data Room Masters are held from time to time.

3.3 Prior to delivery and on receipt of the Data Room Masters, the Agent shall perform tests in accordance with its Integrity Plus Testing Service (as defined and further set out in Schedule 2) and shall provide a copy of the test results to LUL, BCV, SSL and JNP as soon as reasonably practicable.

3.4 Prior to delivery of the Data Room Masters to the Agent in accordance with Clause 3.1 above, each of LUL, BCV, SSL and JNP shall verify in writing that each Data Room Master is a true and accurate copy of the Data Room Server, the Hard Copies and the CD Rom Documents.

3.5 Any Dispute arising between any of LUL, BCV, SSL and JNP in relation to this Agreement shall be resolved in accordance with the Dispute Resolution Agreement. The parties acknowledge that the Agent is not a party to the Dispute Resolution Agreement and is consequently not bound by the terms of such agreement.

4. INTELLECTUAL PROPERTY RIGHTS

LUL, BCV, SSL and JNP and the Agent acknowledge and agree that the Data Room Masters shall remain the confidential property of LUL and that all copyright and all other intellectual property rights in the Data Room Masters (insofar as the copyright vests in LUL) will remain vested in LUL.

5. NO LIABILITY

Without prejudice to Clause 3.3, the Agent shall bear no obligation or responsibility nor be liable to any person, firm, company or entity whatsoever to determine the existence, relevance, completeness, functionality, accuracy, effectiveness or any other aspect of the Data Room Masters. The Agent shall have no obligation or responsibility to determine that the items deposited by or on behalf of LUL, BCV, SSL and JNP and accepted by the Agent for deposit are or are not in fact the Data Room Masters as defined herein.

6. CONFIDENTIALITY

The Agent agrees on its own behalf and on behalf of each of its officers, employees, sub-contractors and agents to maintain the Data Room Masters together with all information and/or documentation coming into its possession or to its knowledge under or in connection with this Agreement in strictest confidence and secrecy, not to copy or otherwise make use thereof other than for the purposes of fulfilling its obligations under this Agreement and not to disclose or release it other than in accordance with the terms hereof.

7. THE AGENT'S FEES

7.1 In consideration of the services to be performed by the Agent hereunder and subject to Clause 7.6, LUL agrees to pay to the Agent the Fees as detailed in Schedule 3 (together, the *Fees*).

7.2 Following the execution of this Agreement, the Agent will send an invoice in respect of the Initial Fee and the first Annual Fee to LUL.

7.3 Following the completion of the Integrity Plus Testing the Agent will send an invoice in respect of the Integrity Plus Fee to LUL.

7.4 Thereafter, the Agent shall send an invoice to LUL;

- (i) in respect of the Annual Fee and Storage Fee, on or about the date of each subsequent anniversary of this Agreement; and
- (ii) in respect of the fees detailed in paragraphs 5 to 9 of Schedule 3, following such fees being incurred.

7.5 LUL shall pay the Agent the Fees then due to the Agent within twenty eight (28) days of receipt of the relevant invoice from the Agent.

7.6 Notwithstanding Clause 7.1, each of BCV, SSL and JNP agrees to reimburse LUL the full amount of fees paid by LUL to the Agent under paragraphs 5 to 9 of Schedule 3 where such fees are designated as the responsibility of the reimbursing party. The reimbursing party shall make payment to LUL within twenty eight (28) days of request by LUL to the reimbursing party.

8. TERMINATION

8.1 The Agent shall be entitled to resign its appointment hereunder:

- (a) by giving to LUL, BCV, SSL and JNP not less than sixty (60) days written notice; or
- (b) if, sixty (60) days after delivery by the Agent of a written notice to LUL, BCV, SSL and JNP, any outstanding Fees have not been paid to the Agent in accordance with Clause 7.

8.2 The Agent shall immediately prior to the date on which its resignation takes effect deliver the Data Room Masters to such other custodian as LUL, BCV, SSL and JNP may jointly agree (each acting reasonably) and notify to the Agent in writing (the *Alternative Custodian*).

8.3 Each of BCV, SSL and JNP shall be afforded an opportunity to pay any outstanding Fees to the Agent on behalf of LUL within thirty (30) days of delivery by the Agent of a written notice in accordance with Clause 8.1(b) and the Agent shall accept such payment in satisfaction of any party's obligation to pay the same. The whole of such payment by BCV, SSL and JNP (the *Paying Party*) shall be reimbursed by the party responsible for such fees (the *Responsible Party*) within twenty eight (28) days of a written request being made by the Paying Party to the Responsible Party together with interest thereon at the Applicable Rate.

8.4 This Agreement shall continue in force from the date of signing for a period of fifteen (15) years unless the parties agree (acting reasonably) otherwise or until terminated either by the Agent pursuant to Clause 8.1 above or by LUL, BCV, SSL and JNP agreeing to terminate this Agreement and serving the Agent with written notice of termination of not less than thirty (30) days.

8.5 In the event that this Agreement is terminated pursuant to Clause 8.4 above, LUL, BCV, SSL and JNP shall appoint a new, mutually acceptable custodian on similar terms to those contained herein (the *Alternative Custodian*), subject to such

modifications as the Alternative Custodian shall deem necessary and which shall be acceptable to LUL, BCV, SSL and JNP, all acting reasonably.

8.6 If an Alternative Custodian shall not have been appointed within sixty (60) days of delivery of any notice issued by the Agent (pursuant to Clause 8.1(a)) or by LUL, BCV, SSL and JNP (pursuant to Clause 8.4) in accordance with the provisions of Clause 8.5 then the Agent shall deliver the Data Room Masters to London Underground Limited, 55 Broadway London SW1H 0BD (FAO: PPP Contract Manager) (the *Temporary Custodian*). The Temporary Custodian shall comply with this Agreement as if it was the Agent (including Clause 3.2 with regard to the location of the Data Room Masters) for the period in which it has custody of the Data Room Masters.

8.7 In such event, LUL, BCV, SSL and JNP shall continue to look for an Alternative Custodian to be appointed on similar terms to those contained herein. Once appointed, the Temporary Custodian shall promptly deliver or cause to be delivered all Data Room Masters to the Alternative Custodian to the address stated in the new custody agreement.

8.8 Termination of this Agreement shall not relieve the Agent or its officers, employees, sub-contractors and agents from the obligations of confidentiality contained in Clause 6.

9. LIMIT OF LIABILITY

9.1 The Agent shall not be liable for any loss caused to LUL, BCV, SSL and JNP arising from the loss of or damage to the Data Room Masters except to the extent that such loss or damage is caused by the negligence of the Agent, its officers, employees, agents or sub-contractors and in such event the Agent's total liability in respect of all claims arising under or by virtue of this Agreement shall not (except in the case of claims for personal injury, death or fraudulent misrepresentation) exceed the sum of £500,000. The Agent shall in no circumstances (except in the case of claims for personal injury, death or fraudulent misrepresentation) be liable to LUL, BCV, SSL and JNP for consequential loss of any nature whatsoever whether for loss of profit, loss of business or otherwise.

9.2 Save for any claim for which the Agent is liable falling within the provisions of Clause 9.1 above, LUL, BCV, SSL and JNP shall jointly and severally indemnify the Agent for any legal and/or related costs it reasonably and properly incurs as a result of the Agent issuing or otherwise becoming involved in any form of dispute resolution or litigation of any nature in relation to this agreement, except that LUL shall assume all liability and shall solely indemnify and keep indemnified the Agent and its officers, agents, contractors and employees from and against any and all actions, claims, proceedings, losses, damages, demands, costs, expenses (including court and legal costs) and other liabilities of whatever nature suffered incurred or sustained by the Agent as a result of or in connection with any claim of alleged or actual infringement of IPRs arising out of or in connection with all dealings by the Agent with the Data Room Masters as contemplated under this Agreement.

For the avoidance of doubt, this Clause 9.2 shall not apply in the case of any dispute resolution or litigation or any claim for actual or alleged infringement of IPRs arising from or in direct consequence of breach of this Agreement by or negligence of the Agent.

10. RIGHTS OF ACCESS

10.1 Subject to Clause 10.3, the parties hereby agree that any of each of LUL, BCV, SSL and JNP shall, with reasonable prior notice to the Agent, have (during normal business hours and upon reasonable notice):

- (b) the right to inspect the Data Room Masters (or any part thereof),

((a) and (b) together being the *Access Rights*); and
- (c) the right to require the Agent to provide a copy of the Data Room Masters held by the Agent (or any part thereof) (the *Copy Rights*).

At any time if so requested in writing by LUL, BCV, SSL or JNP, the Agent shall undertake all or part of the Integrity Plus Testing Service on the Data Room Masters and shall provide a copy of the test results to LUL, BCV, SSL and JNP. The costs of undertaking the Integrity Plus Testing Service shall be:

- (a) paid by the party or parties that requested the Integrity Plus Testing Service be carried out; and
- (b) at a reasonable fee, based on the Agent's standard fees for such Integrity Plus Testing Service.

10.3 Each of LUL, BCV, SSL and JNP shall be entitled to exercise their Access Rights at any time during the Agent's normal office hours, but shall not be entitled to require the Agent to provide copies of the restricted documents listed in the relevant part of Schedule 4.

10.4 Where any of LUL, BCV, SSL or JNP notify the Agent that they require a copy of the Data Room Masters (or any part thereof) pursuant to Clause 10.1, the Agent shall provide the copies requested within seven (7) days or as soon as reasonably practicable after the notice has been given.

3. Storage Fee means an annual fee of £1,500 to cover storage of both sets of Data Room Masters deposited, including twenty (20) boxes of documentation.
4. Annual Fee means an annual fee of £440 per Infraco payable by LUL. The fee shall include:
 - (a) Access Rights on two (2) occasions in that year, each of up to two (2) hours in duration, in relation to each Infraco and LUL.
 - (b) the Agent maintaining a log of (i) requested documents and their recipients (ii) any photocopying of the documents forming the Data Room, and (iii) details of a party using its Access Rights.
5. Fees shall be chargeable for additional access as follows:
 - (a) a fee of £125 per access to the Data Room Masters (of up to two (2) hours in duration) as incurred by any of LUL, BCV, SSL or JNP from time to time for Access Rights in excess of those paid for in paragraph 4(a) above. In the case of access made by BCV, SSL and JNP, such fees shall be payable by LUL for the first two (2) Access Rights exercised by the accessing party in excess of those referred to in paragraph 4(a) in the relevant year. The fees for further Access Rights in such year shall be the responsibility of the accessing party.
 - (b) a fee of £60 per hour for any additional time in relation to any access to the Data Room Masters (whether under paragraph 4(a) or 5(a)). Such fees shall be the responsibility of the party that incurs the additional time in relation to any access.
6. The time spent by the Agent in removing and replacing the Data Room Masters from storage to comply with the Access Rights and Copy Rights shall not be included as time under access to the Data Room Masters. For the avoidance of doubt, this includes the time spent by the Agent assembling and disassembling the PC's.
7. The fee payable to the Agent for making copies of the Data Room Masters shall be calculated on the following basis:
 - (a) the fee chargeable for the reasonable time spent by the Agent in making the copies in accordance with paragraph 8; and
 - (b) the reasonable cost of paper and CD's used in making the requested copies.

8. Where any of LUL, BCV, SSL or JNP use its Copy Rights but do not attend the Agent's premises to inspect the Data Room Masters, this shall be treated in the same way as an Access Right and shall be charged accordingly (and, subject to paragraph 6, the fee chargeable shall be based on the reasonable time taken by the Agent to make the copies requested).

9. Requests to copy the Data Room Masters made at the time of an inspection by a party at the Agent's premises shall not be regarded as a separate access. However, when calculating the total time spent under access the reasonable time incurred by the Agent in making the copies requested shall be taken into account together with the time spent by the relevant party in inspecting the Data Room Masters.

ALL FEES ARE SUBJECT TO VAT

The Agent may revise its Fees from time to time on giving forty-five (45) days written notice to LUL. For the avoidance of doubt, an increase in any Fees shall not be applied retrospectively to Fees which have already become payable.
