Teacher Statements

Litter

- **First Litter Statement:** 'There are no litter bins provided on public transport in London. This just encourages people to drop litter.'
- **Second Litter Statement:** 'There are no litter bins provided on public transport as they can be a fire hazard and they have been removed as a preventative measure against terrorism. This is an important safety measure.'
- **Third Litter Statement:** 'Do you agree that everyone has a right to travel in a clean and well kept environment?'

Ask the children to come to a solution of how they could ensure this? - employing more cleaners, making posters, have a litter collector on transport, fines, people made to take rubbish home etc

Graffiti

- **First Graffiti Statement:** 'Graffiti is a form of art and it doesn't hurt anyone.'
- **Second Graffiti Statement:** 'Graffiti creates a negative impression of London as it shows that people don't care about their community. Graffiti can cause people to feel unsafe and make things look ugly.'

- **Third Graffiti Statement:** 'Do you agree that people should be punished for causing graffiti damage?'

Ask the children to think of what punishments they would enforce - level of fines, prison, ensuring the people clean it up, etc

Vandalism

- **First Vandalism Statement:** 'Vandalism happens because people are bored. People should be given more things to do.'
- **Second Vandalism Statement:** 'Vandalism endangers the lives of others. Damage to help points, CCTV and equipment could stop someone getting help when they need to.'
- **Third Vandalism Statement:** 'Do you agree that the transport companies should repair all the damage caused even it costs millions?'
